Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 13 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A hot and sunny Sunday. Cloudier on Monday.

Today:
Largely sunny and very warm, locally hot, with temperatures higher than the last couple of days. Winds will be fairly calm for most, as well. Maximum temperature 26 deg C (79 deg F).

Tonight:
A dry and mostly clear night. Warm and humid for many, without much in the way of wind to take the edge off. Minimum temperature 9 deg C (48 deg F).

Monday:
Monday is looking largely sunny and dry to start. A band of cloud is likely to move in from the north, but breaking up to leave plenty of sunny spells. Maximum temperature 26 deg C (79 deg F).

Outlook for Tuesday to Thursday:
Largely fine on Tuesday. Risk of thundery showers for Wednesday and Thursday, especially in the east. Remaining very warm to hot, though possibly cooling slightly on Thursday.
